Your Partner to Achieving a Zero Waste Future

Athens Services is a local, family-owned waste collection and recycling company that has been a fixture in the greater Los Angeles community for the past 60 years.

We provide innovative, consistent and quality environmental services to our more than 250,000 customers in the 50+ communities we serve.

Through reuse recycling and composting, Athens diverts valuable resources from landfills.

Welcome from the Library Foundation President

On behalf of the Monterey Park Library Foundation, I like to welcome you to our Annual Fundraiser Dinner Gala. It has been a pleasure for the Foundation to collaborate with the Monterey Park Bruggemeyer Library to support its many programs throughout the years by providing the necessary resources.

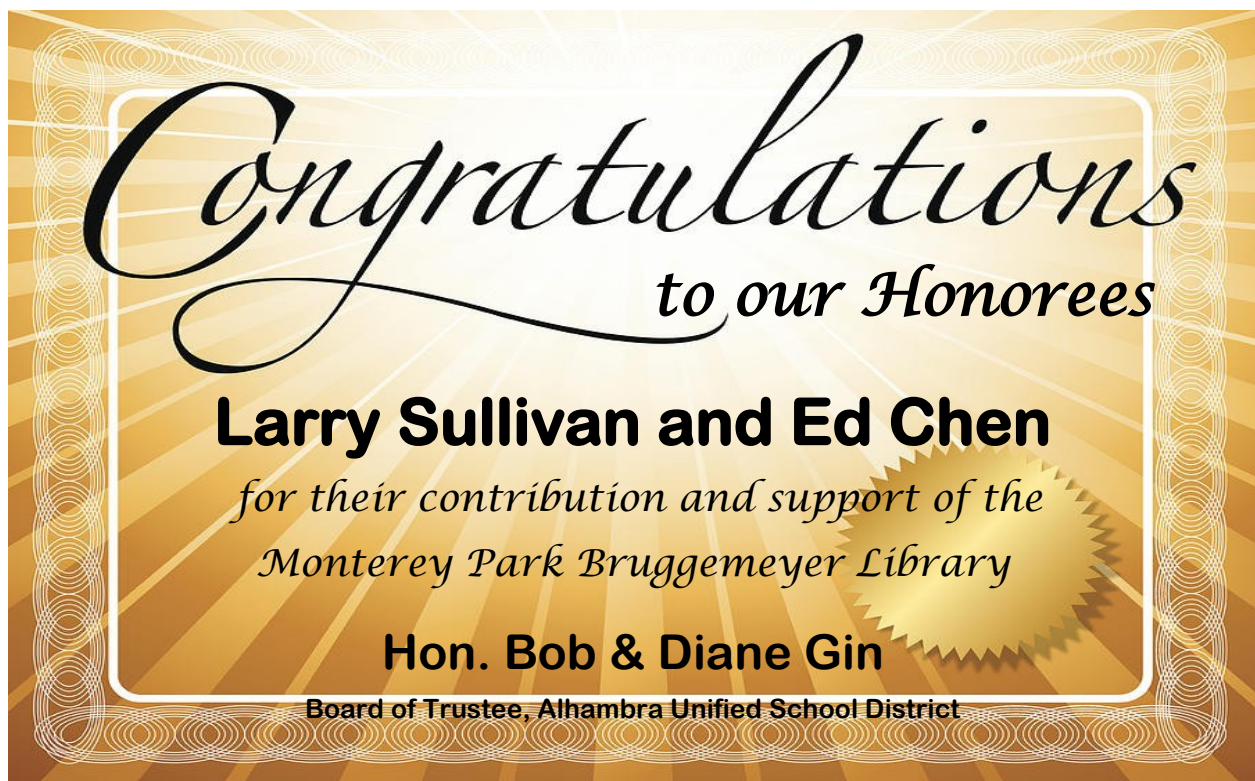

Tonight we are here to honor and recognize two individuals, Larry Sullivan and Ed Chen, who have unselfishly given their time to support and serve the Library and the community of Monterey Park in many capacities.

The Library has been the center of this community for many years, where families, children, students, adults and immigrants can come to enjoy the resources of the Library. The Library has areas for our students to study or do research, provides books and articles for people in their native language; has a tremendous reading and children program for our preschoolers and continues to provide ESL classes for the immigrants of the city and surrounding communities. The library offers access to computers, the Internet and electronic games and provides digital learning centers for children.

I would like to recognize the City of Monterey Park and City Council for their support and also the many volunteers who serve the Library on a daily bases.

We thank you for your support of the Monterey Park Library Foundation but most of all, your continued support of the Monterey Park Bruggemeyer Library, where literacy is knowledge.

Best Wishes,
Bob Gin

Message from the Mayor

Commendations once again to the Monterey Park Library Foundation for their continuing commitment to supporting and improving our Bruggemeyer Library here in Monterey Park. It is through your efforts and advocacy that the residents of Monterey Park can enjoy one of the top libraries here in the San Gabriel Valley!

Tonight's Masquerade Gala is a great example of the creativity and innovation of the Monterey Park Library Foundation, making supporting the library fun and entertaining.

Congratulations to tonight's honorees Ed Chen and Larry Sullivan and thanks to the both of you for your dedication and commitment to the Monterey Park Library Foundation and our Monterey Park Bruggemeyer Library!

Our library would not be the same without everyone's steadfast support.

Best wishes for a wonderful event this evening!

Hans Liang
Mayor
City of Monterey Park

The Monterey Park Library Foundation is a nonprofit 501(c)3 organization which raises funds to supplement the library's budget, allowing for the purchase of new books, DVDs, magazines, newspapers, furniture, toys and technology. The Foundation accepts donations of any size. Organizations, businesses and individuals who make significant donations can have their name listed on the donor board in the library. In the past, the Foundation raised more than \$600,000 for the expanded and renovated library which opened September 9, 2006. The Foundation raised funds for the mural over the west entrance of the library. Annually, the Foundation supports the library's Summer Reading Programs and Holiday Book Giveaway.

Foundation Contributions to the Library:

New furniture, displays, signage and art for the Teen Area and Career Center
Books and Materials including eBooks
Children's educational play equipment and supplies
Wireless handheld microphone and receiver for the Friends Room
Ten new computers (five public and five staff)
meeScan mobile app license and deactivation station for more convenient check-out
License for patron printing software and hardware
Step and repeat backdrop for promotional photo opportunities
and more**Total support this year to date: \$48,000**

Message from the City Librarian

On behalf of the Monterey Park Bruggemeyer Library and its staff, I want to welcome you to the 2019 Library Foundation Annual Gala.

The members of the Library Foundation work tirelessly throughout the year to support the mission of the library in providing free and open access to its resources for all members of our community. The Foundation purchases e-books for our users, helps to replace public computers, contributes to the library's collection of newly released DVDs, and supports public programming through its generous donations. This year the library completely refurbished the Teen Room thanks to the tremendous fundraising efforts of the Foundation. The Foundation's \$15,000 donation allowed us to purchase new furniture and fixtures to create a more welcoming and flexible space for teens to read, study and spend time with their peers in a safe and supportive environment.

Tonight we gather to celebrate and honor the contributions of two very special individuals in the Monterey Park community – Larry Sullivan and Ed Chen.

Larry Sullivan has a long history of community involvement with the Lions Club, the Monterey Park Historical Society and the Planning commission and he currently serves on the Monterey Park Bruggemeyer Library's Board of Trustees where he is involved with ensuring the betterment of the library on behalf of its users.

Ed Chen is Director of Governmental Affairs at Athens Services, where his motto is "Think Global, Act Local". Ed volunteers his time as a Los Angeles County Sheriffs Reserve Deputy and also held public office as a Temple City School Board Member and a Temple City Planning Commissioner and he is endlessly supportive of government services in Monterey Park.

I extend my sincere appreciation to Larry Sullivan and Ed Chen for their service to the residents of Monterey Park; they are shining examples of volunteerism and public service.

I also extend my gratitude to the sponsors, volunteers, staff and library supporters who have contributed their time and energy to this evening's success and I thank you for your continued support of the Monterey Park Bruggemeyer Library.

Annual Gala 2019

A Benefit for the Monterey Park Bruggemeyer Library

***Congratulations to
Community Leader Honorees:***

Ed Chen

Larry Sullivan

No one was late to a very important date when the Monterey Park Library Foundation presented a festive *Alice in Wonderland*-themed Wonder-ful Tea Party at the library on Saturday, April 6, 2019.

Over 100 guests plunged headfirst down the rabbit hole as the familiar setting of the library was transformed into a topsy-turvy Alice-themed Wonderland of fabulous food, fantastical décor and convivial company. Guests sported their best tea party attire – and hats or fascinators! – for all to admire. Some even dressed in the whimsical spirit of the *Alice in Wonderland* theme: Library Foundation President Bob Gin was a winsome White Rabbit while Library Board President Jason Dhing adopted the dapper guise of the Mad Hatter. Adding to the celebratory atmosphere, the Kiwanis Club of Monterey Park presented \$5,000 to the library and former City Council member Anthony Wong donated \$5,999.58! A very merry time was had by all! The Library Foundation and the Monterey Park Bruggemeyer Library thank all who attended and thus supported the library!

Sponsor a Computer

The Monterey Park Bruggemeyer Library has **68 public computers** for library patrons to use.

Even so, during peak hours, there is usually a waiting list. Adults, teens and children use the computers to learn, to research, and to be entertained. There were **80,781 sessions** of public computers usage in 2017-2018.

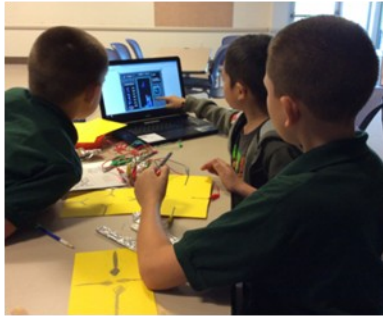

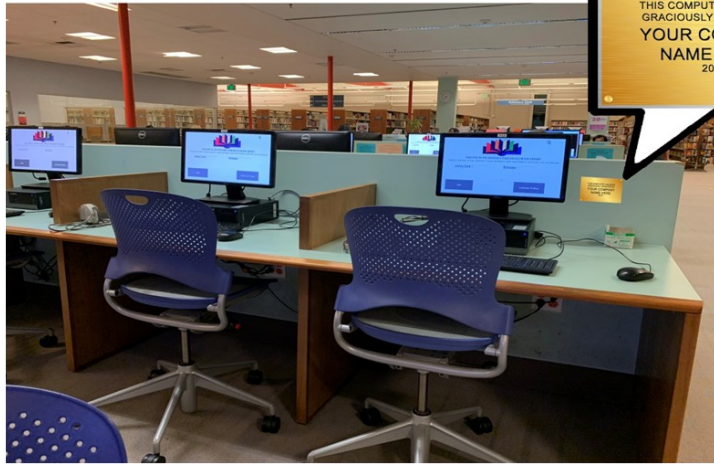

Every 3 years, these public computers need to be replaced to keep up with current technology.

It costs about \$1,000 to replace one computer.

Your generosity will allow the library to continue to provide vital resources to this community.

As a result of your donation, the Library Foundation will place a donor plate (2" x 3½") next to the computer for the duration of the life of that computer (3 years) as shown in the sample photo.

For more information, contact the library.

SPECIAL HONOREE

Ed Chen

Ed Chen is Director of Governmental Affairs for Athens Services, Monterey Park's waste, recycling, street sweeping partner. During Ed's time at its Government Affairs department, Athens has grown to become the largest family owned waste, recycling, street sweeping company in Southern California. Prior to joining Athens Services, Ed worked on Los Angeles County District Attorney Steve Cooley's campaign for Attorney General and worked as a political operative for various state and national campaigns. He previously served as Vice President of Monterey Park Chamber of Commerce. Dedicated to the community, Ed volunteers as a Los Angeles County Sheriffs Reserve Deputy and also held public office as a Temple City School Board Member and a Temple City Planning Commissioner. He was recently awarded the Los Angeles County Patrol Reserve of the Year 2017. Ed is a father to a 3-year-old boy and is married to Joyce Huang, who attended Brightwood Elementary School.

SPECIAL HONOREE

Larry Sullivan

Working for the betterment of today's kids has been Larry's creed since retiring. He has served the residents and neighbors of Monterey Park and outlying cities through his time spent on committees, commissions and organizations all as a volunteer.

Larry retired in 2007 after spending over twenty-five years founding a Marketing & Consulting company, The Sullivan Group, in the Home Furnishing industry. He then spent seven years in Senior management of an Italian company in the Moulding Industry.

Larry's career was built around his skills in executive management and in development of offshore trade relationships in both Asia and Europe.

As an active Monterey Park resident, Larry currently is a Trustee on the Monterey Park Bruggemeyer Library Board of Trustees, Member of the Alhambra Unified School District Bond Oversight committee and Docent for Monterey Park Historical Museum.

His past accomplishments include being a member of the Monterey Park Planning Commission for seven years, twice serving as Chairman. He was responsible for bringing to Monterey Park in 2013 and 2014 the American Cancer Society Breast Cancer Strides event, raising over \$75,000 for Cancer research. Additionally, he served as director of Finance and Fund Raising for the 2015 Special Olympics World Games, raising over \$100,000 in Monterey Park's City support of the German team while in Los Angeles.

Most recently he has been active with the Monterey Park Lions Club where has served twice as President. In the Lions he has served as event Chairman for the Kid's Eyesight Program, which has provided free eye screening to over 75,000 children in Monterey Park, and the annual Lions Club Breakfast raising funds for the eye screening program. Additionally, he has served on the Monterey Park Traffic Commission and Personnel Board.

Larry received his undergraduate degree in Business from Woodbury University and his master's in business from Pepperdine. He went on to do additional studies and publish a research paper on the effects of foreign currency fluctuations on a domestic market.

Larry's wife Carol is a retired Escrow officer with Chicago Title. They have been married for twenty-six years. They have two grown children, four grandchildren and one great-grandchild. They are members of St. Paul's Lutheran church in Monterey Park, where Larry serves as Treasurer. Besides their community involvement, Larry and Carol are active with the Family Promise organization, helping families in need.

I want to say a sincere "Thank You" to the Library Foundation for this honor. I believe that the Library Foundation's investment in our kids is the greatest asset to the future and this investment in their minds and knowledge is worth all the time and energy I can give. Please join me and the Monterey Park Library Foundation in this effort. Again, thank you! - Larry Sullivan
